Paragon has developed the NERF Target Range to compliment the Arena, in this area players can practise for their battle, compete against each other or test drive their next NERF purchase.

NERF is an action-packed activity that can be staged either indoors, in an adapted indoor space, or outdoors in a purpose-built arena. It is suitable for anyone aged 6 and over and requires no special skills.

Paragon's attractions experts deliver onsite training to ensure best possible customer experience and to help you maximise returns.

Participants can enter the Arena as individuals, as a group or with a party to take part in organised NERF blaster games.

Nothing comes close NERF is the ultimate lifestyle brand and is the coolest in action based performance toys! If you have not experienced NERF, join the millions of fans who already know that "it's NERF or Nothin'!"
